n

世

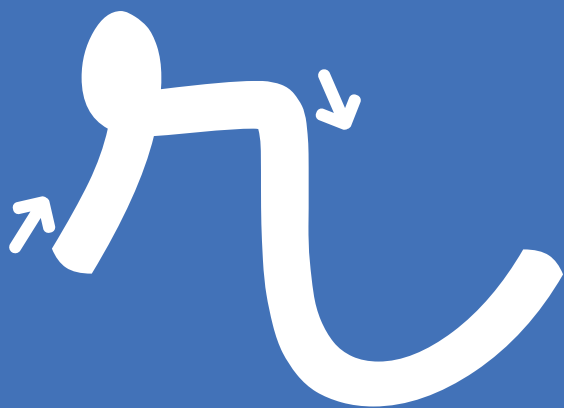

A white cursive calligraphic character '世' (shì) is centered on a blue square background. A small white arrow points to the top of the first stroke, which is a downward curve that then turns into a horizontal line before the final downward stroke.

世

A white semi-cursive calligraphic character '世' (shì) is centered on a blue square background. A small white arrow points to the top of the first stroke, which is a vertical line that curves to the right and then down, followed by a horizontal crossbar and a final downward stroke.
