

Modul "Ciklus Vode u prirodi"- radni list

## Eksperiment:

# "Zakon spojenih posuda 2"

---

Što se događa sa vodom u četiri spojene boce?

---

---

---

---

---

---

---

---

Što primjećuješ? Što kada otvorimo čepove? Što kada ih zatvorimo?

---

---

---

---

---

---

---

---

Zašto misliš da se to događa? Koje su tvoje pretpostavke?

---

---

---

---

---

---

---

---

Što ti ovaj eksperiment govori o vodi i njenim svojstvima?
